

## **Alumnae Panhellenic Association Creed**

A way to connect your Alumnae Panhellenic Association

All Greek organizations have a Ritual. While each Ritual is different and has its own secrets, they are similar too. This activity will allow your alumnae panhellenic to see where the values of the organizations in your group match with each other.

### Alumnae Panhellenic Creed Steps

- Write down chapters in the alumnae panhellenic to be included in this activity.
- Ask each organization to submit their three lines of their Creed. If they do not have a Creed, they can use Mission Statement or Founding Principles.
- Select a line from each Creed you want to include in the Alumnae Panhellenic Creed.
- Share the Alumnae Panhellenic Creed at a meeting.
- Print copies for the organizations to share with their members.

### Questions for Discussion

1. Did you ever think that your organization's Creed could be similar to another organization's Creed?
2. Does this Alumnae Panhellenic Creed encompass what we represent?

### **Alumnae Panhellenic Community Example**

We, as members of undergraduate women's fraternities believe that the privilege of membership brings the responsibility to do our best in whatever we undertake; always remembering that leadership requires confidence tempered with humility and courage blended with tolerance.

We promise to love life joyously and to live each day to its ultimate good. We are one heart, one way. To the world we promise temperance, insight and courage. We understand that the memory of our thoughts, our deeds and our lives will continue in others.

We strive to inspire the highest type of womanhood, to build confident women of character who celebrate sisterhood and make a difference in the world around us and embody in our lives the truths that make finer womanhood. We promise to see and appreciate all that is noble in another, be her badge what it may.
