

Facebook Page Posts

To celebrate National Ritual Celebration Week on Facebook, post these status updates to your chapter/council/organization Facebook page. This will allow those that “like” your page to share their thoughts and respond to the post, creating a dialogue around Ritual.

These example Facebook posts are **NOT** meant for members to share private information about their Ritual when they respond to the post.

Weekday 1

How did you feel when you entered the Initiation room?

Weekday 2

What did you do today to live your Ritual?

Weekday 3

Without sharing details about your organization’s Ritual or Initiation, what did you learn from your Initiation?

Weekday 4

There are no offensive or hazing practices involved in a fraternal Initiation. Comments?

Weekday 5

Why is having a Ritual important to your organization?

Option for International Badge Day post

Consider adding a picture of the badge to your post.

We support the National Panhellenic Conference’s International Badge Day by wearing our beautiful **name of organization** badge proudly today and remembering that it is a privilege to wear it each day!
